REQUEST FOR WAIVER OF 471 APPLICATION AND THE 60 DAY APPEAL DEADLINE  
Boundary School District 101, BEN 142759  
471: 17103971  
**FRN: 1799098384**

**Introduction**

The Idaho State E-Rate Coordinator and the Idaho Department of Education are respectfully requesting a waiver on the behalf of Boundary School District 101 on their 2017-18 Form 471 application listed. The request for a waiver of the 60-day appeal filing window rule is to make necessary adjustments to their state match amount listed on their Funding Request due to a Ministerial and Clerical Error (M&C Error) caused by USAC.

**Background**

Boundary School District, a small, rural school district in the most northern region of Idaho, has five school buildings that serves approximately one thousand four hundred (1400) students and has an E-Rate discount of 80%. The Boundary School District has been, and still is, operating with a 30MB microwave WAN for the entire school district as this was the most cost-effective solution available within their budget. The purpose of the project for the new infrastructure is to improve the quality and sustainability of the fiber transport connection to each site within the school district and allow them the appropriate and necessary bandwidth to support their educational needs. This improvement will support their current educational needs and allow for any future growth while reducing the monthly recurring cost of their service.

Only after the appeal deadline did the Idaho State E-Rate Coordinator, Todd Lawrence, discovered the incorrect amount listed in the state match line on the Form 471 application. The applicant did not notice this discrepancy in the state match field since the overall funded amount approved by USAC. The goal is to make the necessary adjustment on the state match amount so the applicant is not liable for paying the amount of \$119,840.80 from their general funds when they were approved by the state of Idaho for the matched portion. Additionally, the narrative described on the FRN indicated the desire to participate and approval of the 10% state match. Additionally, the certified letter by the State of Idaho indicating the approval of the state match portion to the applicant was submitted as part of the 471. The initial state match portion was listed incorrectly then USAC, for reasons unknown, “zeroed-out” the line item with the state match amount listed instead of correcting the amount per the narrative. Below is the timeline for the review and modifications to the FRN.

11/10/2017	\$ 254,061.00	Not sure why the consultant put this amount in for State Match. Should have been \$119,840.10 and certified letter from Idaho confirms.
???	\$ 1,198,401.00	PIA made the correction to the amount that removed taxes. This is the correct amount associated to the one-time cost of the project.
???	\$ -	PIA zeroed the state match amount when project cost was changed. Should be \$119,840.10

11/7/2018	\$ 959,036.80	Revised FCDL indicating the discounted portion based off of the \$1,198,401.00 amount and 80% discount. No state match was calculated even though narrative indicated state match was approved.
11/7/2018	\$ -	Still zero for state match

### Summary

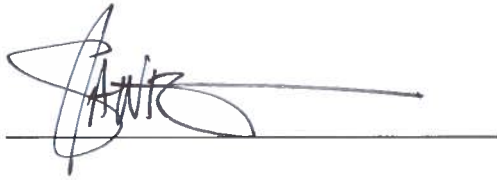

Since there have been prior approvals of similar waiver requests, we thank you for your support in granting this waiver to allow the correction of the details to support the Boundary School District and their approved state match portion. Idaho is an approved state to offer these matching funds dedicated to help schools build the improved infrastructure necessary to get quality connectivity to the students in the district. The school district should not be obligated to pay the 10% state match portion of \$119,840.80 from their general funds as it would financially jeopardize the school district. Since the school district followed the E-Rate rules in the entire process to receive a funded FCDL, the entity remains positive this will be corrected. Additionally, the scope of the project was approved by the Idaho State Department of Education for the special construction state match portion and was given a certified letter indicating the decision.

**Post Commitment Wave:** 34

1. **File the FCC Form 486**, Service Confirmation and Children's Internet Protection Act (CIPA) Certification Form, for any FRNs included in this RFCDL, if you have not already done so. Please review the CIPA requirements and file the form(s).
  - o **If USAC approved funding on an FRN in your original FCDL**, the deadline to submit the FCC Form 486 is 120 days from the date of the original FCDL or from the service start date (whichever is later).
  - o **If a new FRN was created for this RFCDL or funding was not approved on an FRN in your original FCDL but is approved in this RFCDL**, the deadline to submit the FCC Form 486 is 120 days from the date of this RFCDL or from the service start date (whichever is later).
2. **Invoice USAC**, if you or your service provider have not already done so. Work with your service provider(s) to determine if your bills will be discounted or if you will request reimbursement from USAC after paying your bills in full.
  - **If you (the applicant) are invoicing USAC:** You must pay your service provider(s) the full cost for the services you receive and file the [FCC Form 472](#), the Billed Entity Applicant Reimbursement (BEAR) Form, to invoice USAC for reimbursement of the discounted amount.
  - **If your service provider(s) is invoicing USAC:** The service provider(s) must provide services, bill the applicant for the non-discounted share, and file the [FCC Form 474](#), the Service Provider Invoice (SPI) form, to invoice USAC for reimbursement for the discounted portion of costs. Every funding year, service providers must file an [FCC Form 473](#), the Service Provider Annual Certification Form, to be able to submit invoices and to receive disbursements.
  - **To receive an invoice deadline extension**, the applicant or service provider must request an extension on or before the last date to invoice. **If you anticipate, for any reason, that invoices cannot be filed on time**, USAC will grant a one-time, 120-day invoice deadline extension if timely requested.

## How to Appeal or Request a Waiver of a Decision

You can appeal or request a waiver of a decision in this letter **within 60 calendar days** of the date of this letter. Failure to meet this deadline will result in an automatic dismissal of your appeal or waiver request.

**Note:** The Federal Communications Commission (FCC) will not accept appeals of USAC decisions that have not first been appealed to USAC. However, if you are seeking a waiver of E-rate program rules, you must submit your request to the FCC and not to USAC. USAC is not able to waive the E-rate program rules.

- **To submit your appeal to USAC**, visit the Appeals section in the [E-rate Productivity Center \(EPC\)](#) and provide the required information. USAC will reply to your appeal submissions to confirm receipt. Visit USAC's [website](#) for additional information on submitting an appeal to USAC, including step-by-step instructions.

**Post Commitment Wave:** 34

- **To request a waiver of the FCC's rules or appeal USAC's appeal decision**, please submit it to the FCC in proceeding number CC Docket No. 02-6 using the [Electronic Comment Filing System](#) (ECFS). Include your contact information, a statement that your filing is a waiver request, identifying information, the FCC rule(s) for which you are seeking a waiver, a full description of the relevant facts that you believe support your waiver request and any related relief, and any supporting documentation.

For appeals to USAC or to the FCC, be sure to keep a copy of your entire appeal, including any correspondence and documentation, and provide a copy to the affected service provider(s).

## Obligation to Pay Non-Discount Portion

Applicants are required to pay the non-discount portion of the cost of the eligible products and/or services to their service providers. Service providers are required to bill applicants for the non-discount portion of costs for the eligible products and/or services. The FCC stated that requiring applicants to pay the non-discounted share of costs ensures efficiency and accountability in the program. If using the BEAR invoicing method, the applicant must pay the service provider in full (the non-discount plus discount portion) **before** seeking reimbursement from USAC. If using the SPI invoicing method, the service provider must first bill the applicant **before** invoicing USAC.

## Notice on Rules and Funds Availability

The applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program and the FCC's rules. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds.

Your request is approved. The Second E-rate Modernization Order requires that special construction must be completed in time for the associated fiber to be lit by June 30 of the funding year. Applicants may receive up to a one-year extension to complete special construction and use the fiber.
